Allowable Subject Matter

Claims 5-9 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art's references of record do not disclose a high-temperature metallic solder layer coated on the conducting wire, in which the high-temperature metallic solder layer suppresses reduction in adhesive strength between the protective layer and the conducting wire, wire breakage, and short circuiting between the conducting wires.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
